Tryouts

Welcome & Info - Sept 2022

Greetings Players and Parents !

Welcome to tryouts for the 2022/23 version of the U12 Minor PeeWee BB Alliance Team ! It is our hope (and yours too, we're sure) that we can get back to a relatively "normal" hockey season.

Our objective is to choose 17 players of the appropriate skillset to join us for the 2022/23 season. Appropriate skillset = hockey skills, coachability & drive.

Picking those players will not be an easy decision given the high talent levels we see in many skaters in this age division.

And after that is complete have an educational (hockey-wise) and *fun* season !

The team selections will be posted on the SHA website. First releases will be after the ExGame on Sept 25th. You are welcome to chat with us at any time during the assessments.

On the back of this sheet we will share with you the initial team plans and budget costs so you can see what you could be getting into.

Note that the basic ice fee of \$850 per player is *fixed* by SHA and covers the extra ice time provided to the BB team. Team costs (additional) are estimated overleaf.

Cheers,

Head Coach Cody Webster (519-464-7505)

Manager Terry Soeder (519-466-0479)

 You'll be mostly burning gas down the 401
 this year, farthest being Hamilton/St
 Catharines. 10+ different Teams until
 Christmas, then Re-seeding
 Petrocan and Shell credit cards are highly
 recommended (ha ha, just kidding ... that's
 where we work !)

Preliminary Budget Estimates (17 Players)

Per Player Cost = **\$485** using 20/21 fundraising nos

With a little bit of effort and led by a Fundraiser/Sponsor chairperson (help !) we could probably put quite a dent (reduction) in this cost !
